London

An analytical individual with a genuine passion for technology and a drive to progress, seeking a position as a Junior Software Developer. Enjoys building digital products from the ground up and improving existing ones. Coachable, curious, and always keen to learn about new tools.

PROFESSIONAL EXPERIENCE

JUNIOR SOFTWARE ENGINEER
London, Aug 2021 - Present
Participating in workshops and webinars related to programming while enrolled in a six-week Software Engineering Bootcamp to enhance technical skills.

CUSTOMER SUCCESS MANAGER
Randstad, London - Feb 2020 - Aug 2021
Achieved 88% client satisfaction by providing technical troubleshooting and problem-solving services.
Produced a +37% client renewal rate for over 60 accounts by recommending changes in product development, based on clients' requirements.

DIGITAL SALES EXECUTIVE
DELL Tech, Melbourne - Oct 2017 - Jan 2020
Achieved an overall 19% increase in sales, by optimizing social media engagement and implementing successful marketing campaigns.
Increased revenue by 22% by getting new leads and developing client relationships.
Analyzed past sales data and team performance to develop future goals.

SOCIAL MEDIA MANAGER
Meraki, Melbourne - Jan 2016 - Oct 2017
Developed and implemented social media strategies for the business.
Analyzed performance data reports and KPIs, to design future social media strategies.
